OUR MISSION

The Joseph Procacci Foundation was created to expand educational initiatives and increase accessibility to more positive life outcomes through cultivating partnerships with other charitable organizations.

Estrella Naciente Scholarship program serves the communities in the Greater Philadelphia Area & Southwest Florida. Our mission is to provide financial support & increase educational opportunities for academically accomplished Hispanic students and to help local organizations serve our communities.

"This scholarship means the world to me. Thank you for the opportunity to attend college. In the future, I'm hoping that I can be successful and help my community in the same way this scholarship is assisting me."
- Fernando, Scholarship Recipient 2023

"Estrella Naciente gave me the opportunity to be the first person in my immigrant family to receive a higher education. This is my chance to improve myself & follow my dreams, which always seemed crazy until now." - Ana, Scholarship Recipient 2023
